This is an application to receive the \$150 PNKCA Koi Promotional Grant. This Grant is available as stipulated in the PNKCA By-Laws (Article IX - Section 2) under 'Awards and Monetary Grants' as follows:

" When the treasury permits, annually, the Association may make up to six grants of \$150 to six different member clubs to aid in the promotion of the hobby at events other than Koi shows. (Maximum of \$900 per year). Clubs in good standing (membership dues paid up) shall receive funds on a rotating basis. Clubs, which do not get a grant in the current year will be first on the list to receive next year's available grants, if reapplication is made in a timely manner. Application for grants in the coming year should be made to the PNKCA Treasurer prior to the Spring Representative Meeting. A grant application form is attached as Appendix 2. Clubs, which receive a grant, are to provide a brief written report with photos of the use of grant money no later than December 31 of the current year unless an extension is granted. If any report has not been completed or an extension received by that date that club will forfeit the grant. Alternate clubs will be notified and given the opportunity to provide a report prior to the following Spring Representatives Meeting.
